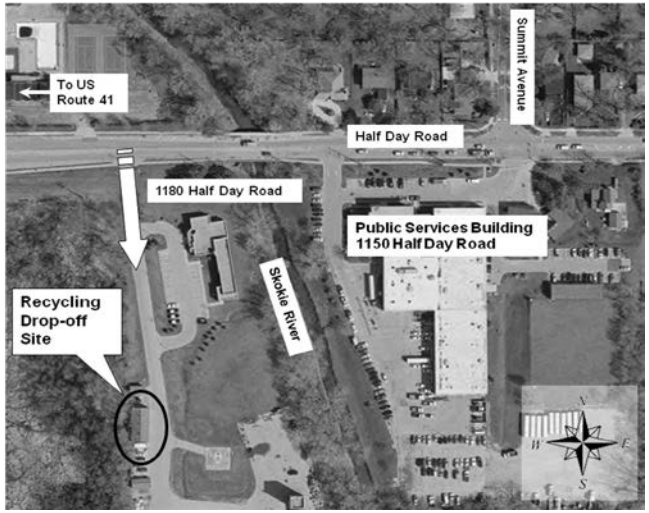
Electronics and Foam Recycling is a very critical program with many benefits to our environment. Recycled foam and electronics means more free space in land-fills and less pollution to ground soils and ground water from aging material. Manufacturing with recycled materials significantly reduces pollution, carbon emissions, and water and energy consumption. In addition recycling reduces the release of air toxins from waste incineration.

Electronics and Foam Recycling Location 1180 Half Day Road



For additional information regarding the Electronics and Foam Recycling Drop-Off Program, please contact Annette Cardiff at (847) 432-0807 or acardiff@cityhpil.com.

City of Highland Park

Electronics and Foam Recycling Drop-Off Program

December 2013

Department of Public Works
1150 Half Day Road
Highland Park, IL 60035

Electronics and Foam Recycling

The City is partnered with The Solid Waste Agency of Lake County (SWALCO) to promote residential recycling of electronic equipment and is pleased with the success the program. The recycling program has expanded to include foam #6.

The recycling center hours of operation are:

Tuesday and Friday
7:00 a.m. to 1:00 p.m.

Located at:

Public Works Yard/Firearms Training Center
1180 Half Day Road.

Please see reverse side of brochure for map of drop-off location site.

The drop-off program is available to all Lake County residents and is open year-round during normal business days. (Closed holidays)

Accepted Items:

Personal Computers, Monitors, Computer Drives, Keyboards, Modems, Mainframes, Scanners, Printers, PDA Organizers, Type-writers, Calculators, Cellular Phones, TV's, Stereos, MP3 Players, CD Players, DVD players, VCR's, Compact Disks, Software Disks, Tapes, Cameras, Video Games, Fax Machines, Shredders, Hair Dryers, Sewing Machines, Electric Toy Trains, Electric Toothbrushes, Small Household Appliances and Vacuum Cleaners.
