[EXTERNAL EMAIL]

Hi there,

I'm a reporter with Fox News Digital and I'm reaching out to confirm details regarding the active situation in Highland Park.

We're looking to confirm:

- The number of those injured or killed
- Whether there was one or multiple shooters
- Do police have a location for the suspect(s)?

We have also seen reports that police requested canine unit to track down the suspect, and that the suspect has barricaded himself inside a nearby building. Is that accurate?

Any assistance would be appreciated.

Best,  
Anders

**WEEDING OUT THE TRUTH WEBINAR.** Attached is the Marijuana Myths and Facts webinar information that Tom Gindorff shared. Please share with your circles.

**HIAS IMMIGRATION & CITIZENSHIP.** As reported by Rabbi Ryan Daniels, you are invited to a virtual information session on refugee co-sponsorship and learn how your congregation can walk alongside Afghan and other refugees in their resettlement journey to Chicagoland. The webinar will be held on Wednesday, November 17 from 7:00 – 8:30pm. A flyer is attached with more information, and includes the link to register.

**IMPORTANT DEMENTIA FRIENDLY TRAINING.** The City of Highland Park is proud to be part of the leading communities in the growing Dementia Friendly America (DFA) movement. We invite your place of worship to be among the first organizations in Highland Park recognized as Dementia Friendly. In the United States, 14% of the people over the age of 65 experience dementia and the annual number of Alzheimer's cases and other dementias is projected to triple by 2050. These numbers will touch us all because they represent family members, friends, neighbors, co-workers, colleagues and clients.

AgeGuide has created a new training program to assist businesses in becoming Dementia Friendly. The self-paced training is conducted online and consists of two 15-20 minute modules. There are six different sector trainings at present:

• Healthcare	• First Responders
• Elder Rights	• Faith Communities
• Transportation	• General Community

### **Dementia-Friendly Business Standards**

- All of management and at least 50% of front line staff are required to participate in training
- Commitment to share training with new hires

Once business standards are met, AgeGuide will send a Business Certificate, a Dementia Friendly window cling for display, and a follow-up letter stating that you have met the requirements to be recognized as a Dementia Friendly business. Additionally, the City of Highland Park will promote Dementia Friendly businesses on the City’s website/newsletter. ## City of Evanston Cancels 4th of July Parade and Celebrations

**EVANSTON, IL** Due to a tragic mass shooting that took place earlier this morning in Highland Park, the City of Evanston will be canceling this year's 4th of July Parade and celebrations effective immediately.

While there is no known threat to Evanston residents, the shooter is still at large; therefore, cancelations are taking place in an abundance of caution.

Our thoughts and prayers are with our neighbors to the north.

For more information, please call or text 847-448-4311. For convenience, residents in Evanston may simply dial 3-1-1.

Sad not unexpected tragedy. Rumors swirling. Is there official press release or communication or site other than weekly and untimely patch?

God speed...

Good morning Mr. Nathan,

Thank you for your continued support and appreciation. We sincerely appreciate and value it.

The Public Portal is automatically updated every 24 hours by pulling the information directly from the member departments' records software. However, incidents typically take 1 week to appear in the portal. This is due to reported incidents having to be verified and investigated by the responding officer. Next, the officer types and submits a report which is reviewed by his/her immediate supervisor, then the Patrol Commander, and finally by the Records Department. By the time that all happens, especially if the officer is asked by someone in the review change to make any additions to the report, it takes about 1 week. We want to ensure info posted in the portal is accurate.

When the portal was being designed, the group of partner agencies that chose to participate met, discussed, and agreed upon what incidents would be posted. That is the list that you see on the left hand side of the web page. While it isn't easily changed without approval of the members, it will be reviewed from time to time for any opportunities for improvement. If you would like to see other categories added, please share them with me and I will take them to the group for consideration at the next review meeting.

With regard to the Synagogue threat, it would not appear on the portal with the current settings. However, the City of Highland Park posted the threat on its various media platforms, such as its Facebook page, shortly after the threat was received. We regularly do this with such incidents when there is a concern for public safety. Another option is to sign up for Smart 911 for emergency notifications from the City. You can learn more about [Smart 911 here](#):

We will continue to host our Police Beat Coordinator Meetings. The March meeting went well with great dialogue among our staff and community members. We had about 15 members join us both in person and virtually. We hope to have more participation in the future. I know you were out of town for that one, but our team looks forward to meeting you in person at the next one.

I'm sorry for the long winded email, but I'm doing my best to keep you informed and answer your questions.

As always, please feel free to contact me if I can be of further assistance.

Respectfully,  
Bill

Thanks Chief Appreciate you and your dept.

I am glad the city appears interested in information flow. It's an improvement over the FOIA old school way where we had to pull teeth to be informed about safety.

Say for instance a threat on a synagogue.... How would that appear? Are any and all threats posted to the map? Who is responsible for the updates and is it "real time?"

Thanks for keeping me posted.

Not sure the PATCH is showing us trends and actions to keep us safe.

Hello Mayor Rotering,

My name is Mark Morales and I'm a reporter with CNN. I'm hoping to get an update, anything you may have at the moment, regarding the shooting that took place. We know there are multiple injuries but anything about the amount or conditions on the injured?

I'm at 917-710-6715.

Thanks so much,

MM

Nancy,

I am so sorry for all of the difficult times at FSofLC,

I appreciate the update and am glad to assist as best I can.

I will pass on the job description to any colleagues who may be interested.

Is the position available to psyd/Phd levels?

Dear Halle & Dr. Shapiro,

I hope this note finds you both well.

Just wanted to give you both a brief update on Family Service of Lake County. Both of you have been so kind to offer your support to our organization but I wanted to let you know that we have been going through a lot of change this year; Director of Finance retired, Director of Development passed away suddenly and Debbie Hege, our Director of Counseling will be retiring at the end of the year. Stuart Pinkerton, PsyD, on our Board has had some health challenges this year as well so that is why you have not heard from us. Recent changes and additions to our organization have made us a much stronger but we now need to fill another very critical position.

As we look forward to the future we hope that you will both be interested in supporting us. Also, feel free to pass on our position description for Debbie's position. And, if either of you would be interested in helping us interview the final 2-3 candidates .... We would welcome your input and guidance.

Sincere thanks for your continued support.

Dear All,

As many of you know, there was a horrible shooting today at Highland Park's 4th of July parade. I am deeply shocked and upset.

At this point we have heard there were multiple victims. As information becomes available we will better know how we as a Foundation can offer help to the victims and our community.

All members who participated with the HPCF in the parade are safe.

Sending love to all of you.

Hello Everyone!!

What a beautiful day! Hopefully, July 4 will be as nice, which is what this email is really about. :)

**We hope as many of you - and your family members and friends - will join us as walkers in the Highland Park 4th of July parade (which is on Monday, July 4). A few people can also ride in our parade car.**

**We need your help passing out our giveaways, but even more we need a strong showing in the parade!**

We have HPCF t-shirts of various sizes you can wear (though you are welcome to wear your own), and will have cold water and treats to enjoy before the parade starts.

You will need to be at our location in the downtown HP Metra Station by **9:30 AM** and we should be done by 10:30-10:45. Further details about exactly where we will gather to line up, take photos, etc., will be sent once we receive them from the City.

**Please let Terri ([terri@hpcf.org](mailto:terri@hpcf.org)) know if you can join us and how many people you will be bringing!**

Thank you for your help in making this a fun and successful awareness raising event for the HPCF! We hope to hear from you soon!

Hello Everyone!!

What a beautiful day! Hopefully, July 4 will be as nice, which is what this email is really about.  
:)

**We hope as many of you - and your family members and friends - will join us as walkers in the Highland Park 4th of July parade (which is on Monday, July 4). A few people can also ride in our parade car.**

**We need your help passing out our giveaways, but even more we need a strong showing in the parade!**

We have HPCF t-shirts of various sizes you can wear (though you are welcome to wear your own), and will have cold water and treats to enjoy before the parade starts.

You will need to be at our location in the downtown HP Metra Station by **9:30 AM** and we should be done by 10:30-10:45. Further details about exactly where we will gather to line up, take photos, etc., will be sent once we receive them from the City.

**Please let Terri ([terri@hpcf.org](mailto:terri@hpcf.org)) know if you can join us and how many people you will be bringing!**

Thank you for your help in making this a fun and successful awareness raising event for the HPCF! We hope to hear from you soon!

Jon, Laurie, Joey (30th anniversary 4th of July Committee Members) and Terri

Hi Ms. Civitello,

I'm writing to ask for any information available at this time about what took place at the Highland Park parade today.

Would you be able to confirm that there was a shooting, as reports have indicated? Is there any information at this point about whether anyone was injured?

You can reach me at 215-237-7144; please don't hesitate to let me know if there is a better contact to reach out to.

Thank you,  
Alan

Hi,

I'm a reporter with The US Sun. We're seeing reports of a mass shooting at the Highland Park Fourth of July parade.

Can the Highland police Department confirm those reports, or have additional information?  
Any injuries reported yet?

Thanks,  
I. S-Rodriguez
