[EXTERNAL EMAIL]

Good afternoon,

I hope this email finds you well. There was a mass shooting today in Hyland Park, Illinois. What are the details? Are there any casualties? If so, how many are confirmed dead or injured? Is this an active shooting, or has the suspect been placed in custody? What is the contact for division of the FBI that is handling this matter? Any and all information would be much appreciated.

I am working with a 3:30 deadline.

OfficerID: gmendoza, Case Narrative

On 09/05/19 at approximately 10am, Ofc White and I responded to [REDACTED] for a well being check reported by [REDACTED]. [REDACTED] stated that during [REDACTED] on today's date, that he fully disclosed that [REDACTED] Robert E. Crimo III, had made a threat in the household. [REDACTED] informed [REDACTED] that Robert stated that he was going to kill everyone. [REDACTED] informed [REDACTED] that he was afraid to go home due to the nature of this threat and that [REDACTED] had a collection of knives in his bedroom.

Upon making contact with Robert Crimo III and his mother, Denise M. Pesina, Robert admitted to being depressed on Monday 09/02/19 and having a history of drug use. Robert was not forthcoming as to the language that he used on Monday nor was his mother Denise. We were then joined by Sgt. Olson on scene. After speaking to Robert E. Crimo III's father, Robert Crimo , it was learned that the collection of knives belong to him. Robert Crimo then agreed to turn over the collection of 16 knives that were being stored in a tin can lunch box, along with a 12 inch dagger, and a 24 inch Samurai type blade in Robert E. Crimo III's bedroom closet for safekeeping. Robert E. Crimo III was asked if he felt like harming himself or others with Robert answering No. Robert E. Crimo III, was informed that if he needed any police and/or medical assistance to contact us. Mother, Denise, was present and also informed [REDACTED]

I then responded to the psc to enter the property into the BEAST for safekeeping. After keeping [REDACTED] updated on the incident, [REDACTED] informed me that they were going to contact [REDACTED]

*****A Clear and Present Danger form was filled out and faxed to ISP*****

While at the psc, at approximately 2:15pm, father Robert Crimo showed up to pickup his property with Evidence Custodian Mike Solesky being present to release the items.

Hello,

My name is [REDACTED] and I live in Deerfield, IL. I was sent this video by my boyfriend who was sent it by his sister. I am unsure who took this video, but it shows what appears to be 2 bodies covered with blankets after the shooting. I hope this in some way helps identify anything about the shooter. I just called the FBI tip line that was listed on the 2pm press conference and reported this video, but they did not provide me with a way to share the video and they encouraged me to contact local PD. Hi Sargent,
I doubt that this will be of any help, but thought I should send it in case. I took this video as my kids, dad and I were crouching, taking cover behind 2 parked cars this morning, during the shooting. I peeked out after a few minutes and took this fast short video....

Prayers to the victim's families....what a horrific, terrifying morning. Hope you catch the monster.....

OfficerID: gmendoza, Case Narrative

On 09/05/19 at approximately 10am, Ofc White and I responded to [REDACTED] for a well being check reported by [REDACTED]. [REDACTED] stated that during [REDACTED] on today's date, that he fully disclosed that [REDACTED] Robert E. Crimo III, had made a threat in the household. [REDACTED] informed [REDACTED] that Robert stated that he was going to kill everyone. [REDACTED] informed [REDACTED] that he was afraid to go home due to the nature of this threat and that [REDACTED] had a collection of knives in his bedroom.

Upon making contact with Robert Crimo III and his mother, Denise M. Pesina, Robert admitted to being depressed on Monday 09/02/19 and having a history of drug use. Robert was not forthcoming as to the language that he used on Monday nor was his mother Denise. We were then joined by Sgt. Olson on scene. After speaking to Robert E. Crimo III's father, Robert Crimo , it was learned that the collection of knives belong to him. Robert Crimo then agreed to turn over the collection of 16 knives that were being stored in a tin can lunch box, along with a 12 inch dagger, and a 24 inch Samurai type blade in Robert E. Crimo III's bedroom closet for safekeeping. Robert E. Crimo III was asked if he felt like harming himself or others with Robert answering No. Robert E. Crimo III, was informed that if he needed any police and/or medical assistance to contact us. Mother, Denise, was present and also informed [REDACTED]

I then responded to the psc to enter the property into the BEAST for safekeeping. After keeping [REDACTED] updated on the incident, [REDACTED] informed me that they were going to contact [REDACTED]

*****A Clear and Present Danger form was filled out and faxed to ISP*****

While at the psc, at approximately 2:15pm, father Robert Crimo showed up to pickup his property with Evidence Custodian Mike Solesky being present to release the items.

Darren...

First and foremost, our prayers and condolences to those victims of the tragedy today and the great people of Highland Park,

I produce **CNN's lead show and national flagship morning program NEW DAY**

My anchor John Berman will be originating from Highland Park tomorrow morning at three hours of our show (5-8 AM CT)

Pure coincidence, but I was well aware that the grand marshal of the parade was Pawfficer Vinny Duke. And then we learned of the horrendous tragedy today

That said, I would like to schedule a live interview with you at our CNN camera there with Mr. Berman in the morning.

To discuss what you witnessed and experienced at that moment. And how Vinny reacted. And whether you will be working with the dog as therapy for some of the victims and those traumatized.

Please let me know your availability within that window and we will work this out.

6-minute segment

I await your prompt and positive response,

Thanks and God Bless your community

Hello,

I just called and spoke to someone after seeing a request on the news for videos of the parade. My husband and I were right on Central Avenue next to Walker Brothers Pancakes when the shots broke out. At the end of the one of the videos you can see Ross, the building that the news has said the shooter may have been on the top of.

I hope that these can be helpful for you. Please let me know if there is absolutely else that I can do. I appreciate your hard work on this tragic day.

[EXTERNAL EMAIL]

Hello,

I just called and spoke to someone after seeing a request on the news for videos of the parade. My husband and I were right on Central Avenue next to Walker Brothers Pancakes when the shots broke out. At the end of the one of the videos you can see Ross, the building that the news has said the shooter may have been on the top of.

I hope that these can be helpful for you. Please let me know if there is absolutely else that I can do. I appreciate your hard work on this tragic day.

Why does this make me believe that the suspect is almost certainly not the ethnic demographic that makes up 94% of your city???

Why do I think he is a member of the ethnic demographic that frankly has committed every one of the mass shootings in the Chicago metro area in the last 15 years... The demographic that commits at least one mass shooting every Friday and/or Saturday night in Chicago...

Hello Everyone!!

What a beautiful day! Hopefully, July 4 will be as nice, which is what this email is really about. :)

We hope as many of you - and your family members and friends - will join us as walkers in the Highland Park 4th of July parade (which is on Monday, July 4). A few people can also ride in our parade car.

We need your help passing out our giveaways, but even more we need a strong showing in the parade!

We have HPCF t-shirts of various sizes you can wear (though you are welcome to wear your own), and will have cold water and treats to enjoy before the parade starts.

You will need to be at our location in the downtown HP Metra Station by **9:30 AM** and we should be done by 10:30-10:45. Further details about exactly where we will gather to line up, take photos, etc., will be sent once we receive them from the City.

Please let Terri (terri@hpcf.org) know if you can join us and how many people you will be bringing!

Thank you for your help in making this a fun and successful awareness raising event for the HPCF! We hope to hear from you soon!

We are heartbroken to hear of the loss of life and of the many injured at Highland Park's fourth of July parade. Our condolences to the families and loved ones. It is a trauma that many of us likely feel reverberating in our souls. We so very much hope you are all safe, and would be grateful if you could let us know if you and your loved ones are okay.

We are thankful to those of you who came to the aid of others in this moment. Our brave law enforcement officers ran towards the danger. The HPHS band leader and football coaches got the students marching in the parade safely home to our families. Municipal leaders are coordinating a swift and thorough emergency response. Our school staff are arranging for counselors to be on-site tomorrow for those who need it. Our CTAD members are helpers as part of their jobs, but it is also part of their character. Thank you for being you.

Consider sharing Text a Tip as a resource to students and other residents when a counselor or other adult is not available. The counselors are based out of Lake Bluff and are therefore familiar with what is happening. Details below and on attached infographic. You can also share from CTAD's [Facebook](#) and [Twitter](#). We will post the resource frequently this coming week.

- Local, trained mental health counselors
- 24/7 anonymous help for yourself or a friend
- Text "224Help" to 844-823-LEAD (5323).
- Also available as an app "Lake County Help"

Subject: Illinois.gov Email addresses

Good Afternoon Board Members,

Regarding all of the FOIA requests we have been receiving and will receive in the future, we have made arrangements with DoIT (Department of Innovation and Technology) to have Illinois.gov email addresses for our board members who would like to have a separate email address for board business.

I mentioned previously to the board that the State charges us for almost every interaction with State resources, and the email addresses are no exception. For web-based email access the fee is seven (7) dollars per month, per user. For those of you who would like the ability to download your email to an Outlook Desktop program, the fee is nine (9) dollars per user per month. The board will pay for all cost associated with the email address. If anyone would like to have a State of Illinois email address to conduct ILETSB business, please let me know.

Have a good evening,

Keith

Hi Amanda,

I'm very sorry to reach out under these circumstances. Are you the POC for City officials? Can you assist with interview requests as we cover the shooting.

Can we request an interview with Mayor Nancy Rotering? Police Chief Lou Jogmen? Please advise if you can assist or if there's another person handling police.

The Situation Room is live 4-6 CT / 5-7 ET. Brianna Keilar is in for Wolf.

We could do an interview virtually (CISCO or SKYPE) or could consider phone interview.

I just spoke to your dispatcher and told her the following:

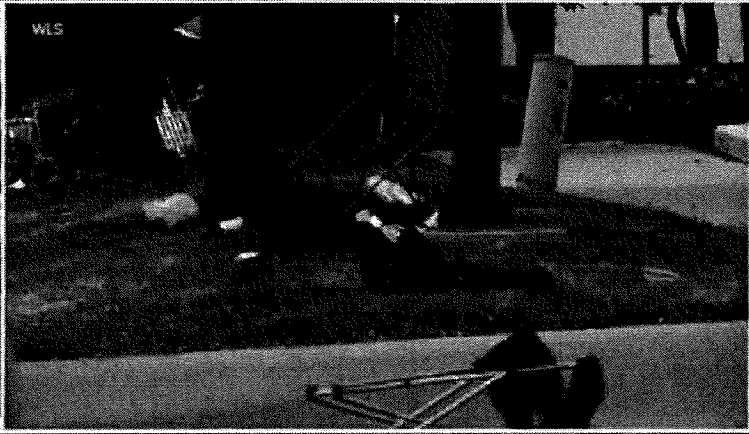

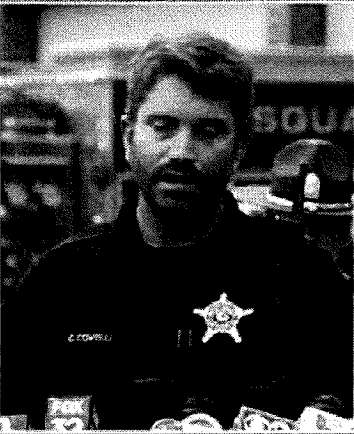

I was watching video on Facebook page of ABC News Live and saw a disturbing comment from a guy (see attached screenshot).

Which shows what he said. I also looked at this guy's profile on Facebook and he did attend a school in Illinois.

I just wanted to do the right thing in sending this to you!

Thank you!

[EXTERNAL EMAIL]

Dear Officer Neuman,

I called the non-emergency number about what may have been a benign incident earlier today but it struck me as odd. I live on [REDACTED] A young white male shortly before 10 am rang our bell and I answered. He claimed he was doing pest control and claimed he could rid our house today of wasps or pests. I asked him to leave info and that I was busy – my dog was barking – he commented “quite the guard dog.” He had an ipad or some device and took down info but said he had no flyer etc. I asked what company he was with – he showed a badge Aptiva Environmental and I asked where his truck was and he claimed it was around the corner. My husband and I left shortly thereafter on our bikes for the parade but saw no truck in our vicinity and the young man was knocking on another neighbor’s door. This may be innocuous. We asked our neighbor who has Nest to review video footage and they captured the attached video.

We need your help passing out our giveaways, but even more we need a strong showing in the parade!

We have HPCF t-shirts of various sizes you can wear (though you are welcome to wear your own), and will have cold water and treats to enjoy before the parade starts.

You will need to be at our location in the downtown HP Metra Station by **9:30 AM** and we should be done by 10:30-10:45. Further details about exactly where we will gather to line up, take photos, etc., will be sent once we receive them from the City.

Hi,

Hope all is well. I'm emailing to see if Mayor Nancy Rotering can join us on our third hour of *Good Morning America*, [GMA3: What You Need To Know](#), for a 3-5 minute interview with Amy Robach and TJ Holmes. We record at 9:40 am EST via Zoom, or we can arrange a studio.

We interview leaders from across the country--Senators, Representatives, Mayors, health industry experts, White House officials, and half of our nation's Governors and would like to include Mayor Nancy Rotering to discuss today's shooting on tomorrow's show.

We have had multiple White House Officials join us, most recently Secretary of Labor Marty Walsh, Secretary of Education Miguel Cardona, and Secretary of Energy Jennifer Granholm along with members of Congress. We have had 38 Governors on our program including California Governor Newsom, Rhode Island Governor McKee, and New Jersey Governor Murphy.

We are currently the fastest-growing show in daytime television and our program was nominated for the 2021 and 2022 Daytime Emmy. We are happy to accommodate any requests you may have. Please feel free to send any questions or concerns my way. Thank you and looking forward to your response.

All the best,
Rahma

I'm reachable here and on my cell at [REDACTED] I'm also copying my colleague Alondra who is on the ground in Highland Park.

Thanks so much.

All my best,

Heard the reports of the shooting. My heart goes out to everyone. Saw an Instagram video from what seems to be video from a second story in the reported area where the shooter was from news outlets (2nd and central) that looks across to the Aveda salon. Poster of video appears to be possibly a male brunette in their 20s from tagged pictures on account. Seems like a video to be watched, possible person of interest? I tagged all media outlets, but ask you look to see if it will help you? I could not find your Instagram account to tag. May be nothing, but seems unusual.

Hello Nancy,

I am Katrina of the Trust & Safety team at GoFundMe. First and foremost, our hearts go out to the friends and families of all those affected by the shooting at Highland Park. I'm reaching out because we've recently had fundraisers started to raise funds to provide relief to those in need.

GoFundMe is monitoring for any fundraisers related to this event to ensure that all donations are safely routed to the correct beneficiaries. If any fundraisers are created to support the families of your community, we will guarantee the delivery of all donations raised. All GoFundMe donors are protected by our refund policy, and funds raised by GoFundMe fundraisers are guaranteed to go to the right person. Donors and beneficiaries can learn more at gofundme.com/guarantee.

When a new fundraiser is created, our system is able to detect if that fundraiser is related. If it is, we'll reach out to the fundraiser organizer to help them get funds transferred directly to the beneficiary of the GoFundMe fundraiser. We work around the clock to ensure the safe delivery of funds raised for our beneficiaries in times of crisis so those that need it most get the help they deserve.

At any time, please let us know if you need anything or come across any suspicious fundraisers by writing directly to our ts@gofundme.com email or on our emergency phone line (619) 786-2975, and we're happy to help. If you have any questions for me, you are welcome to reach me directly by responding to this email.

Statement from Lake County Board Chair and Local County Board Members on Highland Park Shooting Incident

Lake County Board Chair Sandy Hart issued the following statement, ♦I am without words to respond to, yet again, another act of senseless violence, that this time has occurred right here in Lake County. My heart goes out to the victims and their loved ones, the Highland Park community, and its leadership, and to those who responded today and continue to do so, to this horrific event. Lake County and our partnering agencies stand with and beside you through it all to provide the support that is needed.♦

Paul Frank, District 11 Lake County Board member whose district covers most of Highland Park, issued this statement, ♦We are all horrified by this inhumane violence. This parade is a family event and supposed to be a celebration. Today our community is mourning and in shock. I pray for the victims; their families and that our country will find the strength to protect our safety. I'm grateful for the offers of support from all our community leaders and fellow county board members who have reached out.♦♦

Paras Parekh, District 12 Lake County Board member whose district covers a portion of Highland Park, also issued the following statement, I am so deeply saddened by today's events. Our parade is about family, community, and country. Our community is in shock and our hearts are heavy for those that lost their lives or were severely injured due to another incident in this epidemic of senseless gun violence. We pray for our community, the first responders and the victims.

The Lake County Emergency Management Agency (LCEMA) is currently staffing the Emergency Operations Center. They are actively monitoring and responding to requests for assistance from our local partners as needed. In addition, they are coordinating with other area EMAs and the Illinois Emergency Management Agency (IEMA).

The Lake County Major Crime Task Force, Highland Park Police, and FBI are leading the investigation into the incident. As of the 3 p.m. press briefing, six individuals have been confirmed deceased. Approximately two-dozen more were injured in the gunfire and have been transported to area hospitals with varying conditions.

A reminder, the incident remains very active, as the offender remains at large.

Everyone in the Highland Park area is asked to report any suspicious activity by calling 911, or Highland Park Police at 847-432-7730. To report any delayed information about this incident, including video, photos or surveillance footage, the FBI has established a tip line at 800-CALL-FBI.

There is a family/friends reunification site at the Highland Park Police Department, 1677 Old Deerfield Road, Highland Park.

A Message from Mayor Shapiro

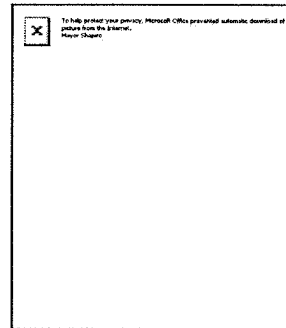

Earlier today, our friends and neighbors in Highland Park experienced an unimaginable and senseless shooting. As a community, we extend our heartfelt support to all those impacted.

Members of our Police Department are assisting Highland Park in the ongoing and active investigation. Working with other agencies, we will continue to provide resources and assistance to our neighbor.

Social workers and counselor resources are available to our community. This tragedy hit close to home and we all feel its effect. If you or anyone you know needs counseling assistance, crisis counselors are available at the Crisis Text Line 24/7 by texting HOME to 741741. Families may also find [this resource from the National Association of School Psychologists](#) helpful in talking about violence with your children.

It is important that all of us remain alert for ourselves, our families and our community. Rest assured, the safety of this Village is always my first concern. Now is the time to remind your family how much you love them.

Mayor Daniel C. Shapiro

Update: Ongoing Active Investigation into Active Shooter

An active investigation continues into the shooting at the Highland Park Fourth of July parade. The parade route in downtown Highland Park and the central business district remains an active crime scene; therefore, we highly recommend individuals living in this area to continue to shelter in place. This area entails Green Bay Road to Laurel, to St. Johns to Elm Place. The investigation and most law enforcement personnel are focused on this area. Individuals outside of this area no longer need to shelter in place, however we urge everyone to remain vigilant and immediately report suspicious behavior.

The Lake County Coroner is on the scene assisting with the investigation. Highland Park police are collaborating with the Lake County Major Crimes Task Force, the FBI, Illinois State Police, County and local law enforcement agencies throughout our area. While no one is in custody at this time, a very active apprehension effort is underway.

Individuals with knowledge of the incident, persons of interest, including photo or video evidence from the scene are encouraged to share them with the FBI by calling 1-800-CALL-FBI. Regular updates are also being posted on the City's web site at www.cityhpil.com.

The next press briefing will be held at 4:30 PM July 4, 2022.

Update: Ongoing Active Investigation into Active Shooter

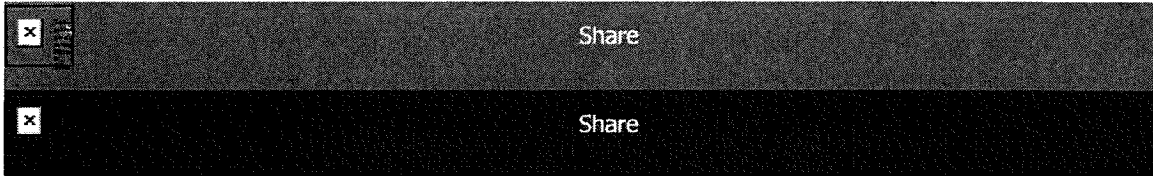

An active investigation continues into the shooting at the Highland Park Fourth of July parade. The parade route in downtown Highland Park and the central business district remains an active crime scene; therefore, we highly recommend individuals living in this area to continue to shelter in place. This area entails Green Bay Road to Laurel, to St. Johns to Elm Place. The investigation and most law enforcement personnel are focused on this area. Individuals outside of this area no longer need to shelter in place, however we urge everyone to remain vigilant and immediately report suspicious behavior.

The Lake County Coroner is on the scene assisting with the investigation. Highland Park police are collaborating with the Lake County Major Crimes Task Force, the FBI, Illinois State Police, County and local law enforcement agencies throughout our area. While no one is in custody at this time, a very active apprehension effort is underway.

Individuals with knowledge of the incident, persons of interest, including photo or video evidence from the scene are encouraged to share them with the FBI by calling 1-800-CALL-FBI. Regular updates are also being posted on the City's web site at www.cityhpil.com.

The next press briefing will be held at 4:30 PM July 4, 2022.

Update: Ongoing Active Investigation into Active Shooter

An active investigation continues into the shooting at the Highland Park Fourth of July parade. The parade route in downtown Highland Park and the central business district remains an active crime scene; therefore, we highly recommend individuals living in this area to continue to shelter in place. This area entails Green Bay Road to Laurel, to St. Johns to Elm Place. The investigation and most law enforcement personnel are focused on this area. Individuals outside of this area no longer need to shelter in place, however we urge everyone to remain vigilant and immediately report suspicious behavior.

The Lake County Coroner is on the scene assisting with the investigation. Highland Park police are collaborating with the Lake County Major Crimes Task Force, the FBI, Illinois State Police, County and local law enforcement agencies throughout our area. While no one is in custody at this time, a very active apprehension effort is underway.

Individuals with knowledge of the incident, persons of interest, including photo or video evidence from the scene are encouraged to share them with the FBI by calling 1-800-CALL-FBI. Regular updates are also being posted on the City's web site at www.cityhpil.com.

The next press briefing will be held at 4:30 PM July 4, 2022.

The parade route in downtown Highland Park and the central business district remains an active crime scene; therefore, we highly recommend individuals living in this area to continue to shelter in place. This area entails Green Bay Road to Laurel, to St. Johns to Elm Place. The investigation and most law enforcement personnel are focused on this area. Individuals outside of this area no longer need to shelter in place, however we urge everyone to remain vigilant and immediately report suspicious behavior.

The Lake County Coroner is on the scene assisting with the investigation. Highland Park police are collaborating with the Lake County Major Crimes Task Force, the FBI, Illinois State Police, County and local law enforcement agencies throughout our area. While no one is in custody at this time, a very active apprehension effort is underway.

Individuals with knowledge of the incident, persons of interest, including photo or video evidence from the scene are encouraged to share them with the FBI by calling 1-800-CALL-FBI. Regular updates are also being posted on the City's web site at www.cityhpil.com.

The next press briefing will be held at 4:30 PM July 4, 2022.
