CJE Friends and Families,

I am deeply saddened by the news of today's shooting at the Highland Park July 4<sup>th</sup> parade. On a day meant for celebration and community, we are forced to endure another senseless and disturbing act of violence.

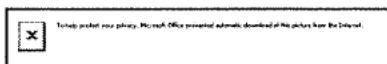

At this stage, we are not aware of any CJE employees, residents or their family members who are victims of the shooting. However, my heart goes out to the many in our CJE community who are impacted emotionally by the toll of today's tragedy—myself included.

As always, our mental health services are available to older adults in need. For additional crisis support resources please visit [mentalhealth.chicago.gov](http://mentalhealth.chicago.gov).

In times like these, it is critical that we remind each other of the good in our communities, show compassion and lend strength to those who may be struggling. Hug your loved ones a bit tighter today.

Sincerely,

Dan Fagin  
President and CEO

I don't know if this will help, but I hope you get whoever did this. This was the only way I could get this info out. I missed all the tip line phone numbers during the broadcast.

Hi Mayor Rotering,

My name is Henderson Hewes and I'm a producer for Good Morning America on ABC. First and foremost, our thoughts and prayers are with the entire community following the tragic shooting earlier today.

I'm reaching out to see if you are available to join us for a live interview tomorrow morning to discuss the latest on what we know, and on the investigation? The interview would be at 5:30 AM Central time and conducted by one of our anchors. I know things are still very fluid, but wanted to make sure you have our request.

I'm reachable here and on my cell at [REDACTED] I'm also copying my colleague Alondra who is on the ground in Highland Park.

Thanks so much.

All my best,  
Henderson

Hi Amanda,

I'm a producer for MSNBC's Chris Hayes. Chris is hosting the 6p to 8p ET (5p to 7p CST) hours tonight. We are watching this horrible shooting in Highland Park. Would the Mayor be available to join Chris tonight to talk about what happened? This would be for a LIVE interview for about six or seven minutes during these two hours. We could accommodate her on FaceTime, Skype, or Zoom. We could also take a phone interview with her if that's easier.

Thanks Amanda!

Hi, I returned to prayer and had an impression of a man, driving in a car, daytime with the window open in what looked like the country. He had black, some what stringy looking hair with black plastic framed glasses on. Pale skin, very light skin, and a straight nose. A slight smile on his face, thin lips, pock marked face (red marks as maybe he picks his face) brown eyes with green ish gold color. He looked like he was sorta weird happy, smug. Again this is how in prayer i had this impression, and maybe who was involved and who your looking for.

Hi, while in prayer for your city at hearing the news, felt impressed by the Lord that there are 2 people involved, that they were thought to be watching the parade, but they were involved in the shooting, and they are acting like they just went to the parade. MONDAY, JULY 4

## Here's the biggest news you missed this weekend

Gunfire shattered a Fourth of July parade near Chicago. And police released body cam footage of Jayland Walker's shooting. It's the weekend's biggest news.

## 6 dead, dozens wounded in shooting at July 4th parade near Chicago

Six people were killed and 24 wounded as gunfire and chaos shattered a Fourth of July parade in Highland Park, a suburb of Chicago, and a manhunt was underway for the killer. Authorities described the shooter as a white male with

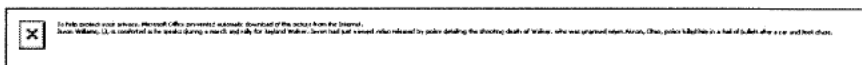

dark hair, 18 to 20 years old, and warned residents to shelter in place. Video from the scene shows scores of people running for cover as music continues to play minutes after the event began at 10 a.m. local time. *This is a developing story. Here's the latest.*

## **Akron police release footage of Jayland Walker being shot up to 60 times**

Authorities released video Sunday of the death of motorist Jayland Walker in a hail of bullets minutes after he fled a traffic stop last week, according to police in Akron, Ohio. The eight officers directly involved in the shooting were placed on administrative leave, and the city canceled its four-day Fourth of July festival as stunned residents and city leaders await the results of an investigation into Walker's death. Police bodycam footage shows officers converging on Walker's silver Buick at the end of a car chase. Walker exited the car in a ski mask, and Police Chief Steve Mylett said he apparently reached toward his waist during a foot chase and briefly turned toward officers, who fired. Mylett said the medical examiner found about 60 wounds on Walker's body, although the exact number of shots fired has not been determined.

## Uvalde school police chief resigns from City Council

Pete Arredondo, the Uvalde, Texas, school district's police chief, **stepped down from the City Council** weeks after being sworn in, following allegations that he erred in his response to the mass shooting at Robb Elementary School that left 19 students and two teachers dead. He was elected to the District 3 council position May 7 and was sworn in May 31, a week after the massacre. Arredondo has been on administrative leave from the school district since June 22. Col. Steven McCraw, director of the Texas Department of Public Safety, told a state Senate hearing last month that Arredondo – the on-site commander – made “terrible decisions” as the massacre unfolded May 24 and that the police response was an “abject failure.”

## Fourth of July holiday weekend brings flight delays, cancellations

Flight delays and cancellations have become all too common this summer as air transportation struggles to get back to normal after the pandemic-era slump – and **this holiday weekend was no exception**. On Sunday, 4,709 U.S. flights were delayed, and 1,776 were canceled, according to FlightAware. On Friday, more than 7,860 U.S. delays and more than 580 cancellations were reported. U.S. airports experienced the largest crowds since before the COVID-

19 pandemic. More than 2.49 million passengers went through security checkpoints Friday.

## Russia claims control of last major city in Ukraine's Luhansk region

Russia claimed Sunday to have overwhelmed the last major city in Ukraine's Luhansk province as it continues its assault on the battered nation's eastern Donbas region. Ukraine's General Staff of the military reported that its forces withdrew from Lysychansk, but President Volodymyr Zelenskyy said the fight for the city was not over. Also Sunday, two Russian airplanes departed Bulgaria with scores of Russian diplomatic staff and their families amid a mass expulsion that has sent tensions soaring between the historically close nations, Filip Voskresenski, a high-ranking Russian diplomat, said.

## Joey Chestnut wins Nathan's Hot Dog Eating Contest for 15th time in 16 years

An American tradition returned to its roots Monday. Joey Chestnut dramatically entered Monday's Nathan's Famous Hot Dog Eating Contest on crutches. But after another stirring performance before the Coney Island crowd, Chestnut had enough fans ready to carry him off the stage he

dominated – once again. Chestnut's ruptured tendon injury combined with a series of personal setbacks didn't deter the 38-year-old champion, who devoured 63 hot dogs in 10 minutes at the annual event. Despite falling short of his record of 76 dogs eaten last year, Chestnut put on another clinic to claim the Mustard Belt, out-eating second-place finisher Geoffrey Esper (47½ hot dogs). Chestnut, who goes by "Jaws," has won seven in a row and 15 of the past 16 hot dog eating contests since taking down six-time defending champion Takeru Kobayashi in 2007. His only loss was in 2015 to Matt Stonie.

### Hello Valued Customer,

The Art Center will be closed for classes and summer camp on July 5, 2022 out of both sadness and respect for our community after the horrific events of July 4th.

The shooting deaths, injuries, and commensurate emotional damages to our entire community demand a respectful pause in normal day-to-day activities.

We offer our condolences to the families of those affected and our great thanks to our first responders from Highland Park and local communities who took swift actions to protect us all.

Please reach out to Executive Director [James M Lynch](#) for any questions or concerns.

Hello

Wanted to send this in as evidence. There is a Youtube account with videos from Robert's account, one of which details the exact location (and building) from the HP shooting this morning with an ominous "warning" tone.

[EXTERNAL EMAIL]

Hello HP Police Department:

**Re: >>> Eyewitness Video <<<  
(Trained SNIPER(s) who killed multiple citizens in Highland Park today). ... 2 snipers**

<https://youtu.be/0TswGH7BBYg>

Forwarding you a recording of WGN 9 Breaking News that was reporting live early today right after the shooting happened. Please watch the direct eye-witness account **that starts at: 11:47 AM (CT) (time stamp at top right corner of video) and ends at: 11:53 AM.** Note: the eye witness named **Michael reports that he saw the sniper who was crouched down behind the lamp-post-STOP-sign at the North/East corner of 2nd St. & Central St. in Highland Park. He says: the sniper was "in a military crouch" and had "a rifle with a sight", "he was very military-style methodical". Sniper shot a woman dead a few feet away (from where Michael was) and the victim's blood splattered onto his wife's clothing who was sitting in a wheel-chair.**

The fact that the shooter-sniper shot at lower legs, feet and ankles supports that the SNIPER was crouching at ground level as he shot. If he was on the rooftop, the injuries would more likely be in the head rather than feet or ankles.

The other witness named [REDACTED] clip starts at 12:28 pm and ends at 12:34 pm. Note: she says **"one of the shooters" was on top of the Ross Cosmetics buildings and aiming to his left and down". This account supports the second shooter scenario.**

Hope this helps!

Hello Chief Jogmen.

I hope you are well and safe.

I watched the press conference and read the press release on the POI Robert Crimo.

I saw this line in your press release: Through law enforcement partnerships and community information and leads, a person of interest has been identified as Robert (Bobby) E. Crimo III.

**Question: Are you able to provide us with context as to how/why you were able to identify Crimo as the POI?**

Still not recovered, but writing to let all know that I'm ok and so is my family. We were sitting directly across from the stage with the announcers...no more than 30 feet from the corner. Enjoying the day with my kids and three-year-old grandson. Who could have guessed that within a few minutes of arriving, soon after waving to Nancy Rotering as she walked by, I would be huddled in a doorway shielding my grandson? I'm still shaking. I knew it was a terrible hiding place.

When we finally moved, we skirted Port Clinton to get back to my condo two blocks away. On the way, I saw carnage. I won't describe it. My only relief is that my grandson didn't see it.

How much of this can we take?  
My best to all of you. Hug your families tonight.

Bobbie

## Urgent Update, July 4

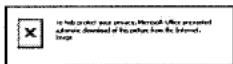

### Hello Ghida,

The Art Center will be closed for classes and summer camp on July 5, 2022 out of both sadness and respect for our community after the horrific events of July 4th.

The shooting deaths, injuries, and commensurate emotional damages to our entire community demand a respectful pause in normal day-to-day activities.

We offer our condolences to the families of those affected and our great thanks to our first responders from Highland Park and local communities who took swift actions to protect us all.

Please reach out to Executive Director [James M Lynch](#) for any questions or concerns.

## Update: Person of Interest Identified in Fourth of July Parade Shooting

Investigators from the City of Highland Park Police Department, the FBI, the Lake County Major Crime Task Force and law enforcement agencies throughout the area have been working tirelessly on the investigation of the active shooter at the Highland Park (IL) Fourth of July Parade.

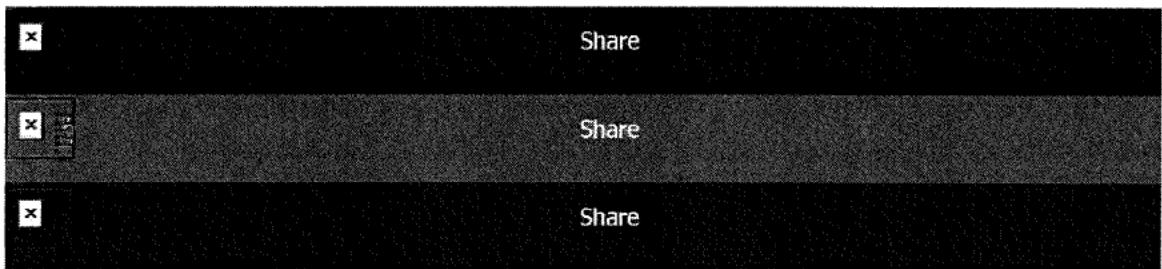

Through law enforcement partnerships and community information and leads, a person of interest has been identified as Robert (Bobby) E. Crimo III. He is twenty-two years old. He is believed to be driving a 2010 Silver Honda Fit, IL Lic. Plate DM 80653. A photograph is included at right.

Numerous federal, State and local law enforcement agencies are working on apprehending this person of interest. Investigators continue to receive tips from the public and law enforcement partners, and will follow up on all of them. Individuals who have information to share with police are urged to contact 1-800-CALL-FBI.

The City of Highland Park extends its deepest condolences to the loved ones of those who were impacted by the horrific incident in our community. Further information regarding this investigation will be posted to cityhpil.com as available, and law enforcement will continue to provide regular briefings to the public.

Thanks. I called it. Goofy local kid who parents didn't recognize to have a screw loose. Similar to the school shooter in Ohio where mom and dad bought him a pistol.

Mayor Rotering,

I want to share with you my deepest sympathies for your community and residents with the tragic murder in Highland Park.

I want to acknowledge your board colleagues and staff trying to make sense of this crisis and working hard to support your community.

As a parent, my heart breaks for the families lining the streets this morning and now at home or the hospital scared and hurting.

Very truly yours,  
Margaret

Hi Amanda,

I'm a producer for MSNBC's Chris Hayes. Chris is hosting the 6p to 8p ET (5p to 7p CST) hours tonight. We are watching this horrible shooting in Highland Park. Would the Mayor be available to join Chris tonight to talk about what happened? This would be for a LIVE interview for about six or seven minutes during these two hours. We could accommodate her on FaceTime, Skype, or Zoom. We could also take a phone interview with her if that's easier.

Thanks Amanda!

Regards,  
Sheara
