Criteria for Determining Highland Park Landmarks

In making decisions about which sites or structures qualify as Highland Park Landmarks the Historic Preservation Commission will decide within 45 days whether the nominated property meets one or more of the following criteria:

- (1) It demonstrates character, interest or value as part of the development, heritage or cultural characteristics of the City, county, state or country;
- (2) It is the site of a significant local, county, state or national event;
- (3) It is associated with a person or persons who significantly contributed to the development of the City, county, state or country;
- (4) It embodies distinguishing characteristics of an architectural and/or landscape style valuable for the study of a specific time period, type, method of construction or use of indigenous materials;
- (5) It is identifiable as the work of a notable builder, designer, architect, artist, or landscape architect whose individual work has influenced the development of the City, county, state, or country;
- (6) It embodies, overall, elements of design, detailing, materials, and/or craftsmanship that renders it architecturally, visually, aesthetically, and/or culturally significant and/or innovative;
- (7) It has a unique location or it possesses or exhibits singular physical and/or aesthetic characteristics that make it an established or familiar visual feature;
- (8) It is a particularly fine or unique example of a utilitarian structure or group of such structures, including, but not limited to farmhouses, gas stations or other commercial structures, with a high level of integrity and/or architectural, cultural, historical and/or community significance; and/or
- (9) It possesses or exhibits significant historical and/or archaeological qualities.
