

Bucky's Construction Update as of November 10, 2016

- Interior counters etc. have been completely installed.
- Installation of food service equipment continues this week.
- HVAC units and coolers are operational.
- Parking lot striping will be completed this week.
- The contractor has requested a final inspection for the development for Monday, November 14, 2016. They would be considered for a conditional certificate of occupancy at that time. They seek to begin stocking that afternoon and open to the public on November 18.
- Final approval would not be granted until all outstanding matters have been met.

Please advise the City Manager's Office if you have any questions at (847) 926-1000.
