Instrument Drive in The Ravinia Business District

A green poster for an instrument drive. The top half features the text 'INSTRUMENT DRIVE' in large white letters, with a white arrow pointing right. Below the text are faint illustrations of various musical instruments: a keyboard, a trumpet, a saxophone, a guitar, a double bass, and a piano. A central text block reads: 'Ravinia is collecting instruments to be refurbished and "recycled" into the hands of students in underserved communities. Over 75,000 people are served through Ravinia's REACH*TEACH*PLAY education programs each year, ensuring that music education remains accessible to all!'. At the bottom, there are two logos: 'RAVINIA REACH*TEACH*PLAY' and 'RAVINIA DISTRICT'.

The Ravinia District of Highland Park and Ravinia Festival are teaming up once again to collect musical instruments to be refurbished, 'recycled' and placed into the hands of children in underserved communities. **Through June 9**, 17 businesses in the Ravinia District are serving as drop locations for individuals who wish to donate instruments to the program.

The following businesses serve as drop off locations:

Sign up for the City's
Emergency Notification System

The City of Highland Park's Emergency Voice Notification System provides for a high-speed telephone communication service for emergency notifications. The system allows the Police Department to telephone the entire community or a targeted area in the event of an emergency. The system is capable of dialing thousands of phone number per hour and delivering a recorded message to a live person or an answering machine.

The City has used this system for alerts including boil order notifications, missing persons, evacuation notices, gas leaks or other emergencies where rapid notification is essential for public safety.

Listed Highland Park residential and business telephone numbers are automatically downloaded into the database. Residents or business owners with unlisted numbers should register. Individuals with cell phones and/or work phones are also encouraged to register these numbers for emergency notification.
