SPRING CLEAN UP

What can I dispose of during Spring Clean Up?

Residents can dispose of oversized items, appliances, and scraps from do-it-yourself projects on their Spring Clean Up collection day. To discard waste from a do-it-yourself project, please make sure that the material is bundled so that one person can pick it up and place it in the truck. Carpeting must be rolled and should not exceed the weight that one person can carry. Waste material generated by general contractors will not be accepted. Residents with appliances for collection, such as refrigerators/freezers (doors must be removed), stoves, dishwashers, washers/dryers, furnaces/boilers, hot water heaters, air conditioners, and microwave ovens must call Lakeshore Recycling (LRS) at 773.685.8811 to arrange for pick-up. When calling, please indicate your name, address, and the type of item to be collected. Please note that residents must bring all items to the curb for collection.

What items are prohibited?

The following items will not be accepted: regular garbage; electronic waste; yard waste; debris generated by landscapers, tree trimmers, or contractors; demolition material from fences, roofs, or exterior building debris; rubber tires; batteries; and oil and household hazardous wastes such as paint, pesticides, or pool chemicals.

What do I do with my electronic waste?

Residents may dispose of one large or three small electronic items monthly. Simply put the item(s) next to your trash cart on your first trash pick-up day of the month. You can also bring electronic waste to the City's recycling center, 1180 Half Day Road, on Tuesdays or the first Saturday of the month from 7 AM – 1 PM.

When is my Spring Clean Up pick-up day?

This year, Spring Clean-Up collection will be on a Saturday determined by your regular pick up day (the regular pick up day is the day both garbage and recycling are collected). Items must be placed at the curb no later than 7 AM on collection day.

Area	Collection Day	Spring Clean Up Day
SE	Monday	Saturday, April 29
SW	Tuesday	Saturday, May 6
NE	Thursday	Saturday, May 13
NW	Friday	Saturday, May 20
