Section 2.1 Examination Calls.

The Board shall call examinations from time to time to establish and maintain a Register of Eligibles for entry level and promotional ranks in the Departments. The Departments shall advise the Board from time to time about the status of existing Register of Eligibles and the need for an examination. If it determines to call an examination, then the Board shall advise the Secretary of the elements of the examination; the rank to be filled from the resulting Register of Eligibles; any special eligibility standards established pursuant to Subsection 4.1F of these Rules; and notice that applications for that examination will be received for a period of time established by the Board but not less than two weeks.

Section 2.2 Notice of Examination.

An examination shall be held at a time and place fixed by the Board. Notice of an examination for an entry level appointment shall be given by publication at least 30 days preceding the examination in one or more newspapers published in the City or, if no newspaper is published in the City, then in one or more newspapers with a general circulation within the City. Such notice shall also be posted at City Hall and on the City's web site. Notice of an examination for a promotional appointment shall be provided in writing to all members of the Department who are in the rank below that for which the promotional examination is being held.

The notice of examination shall state the period during which applications for that examination will be accepted. Applicants shall be notified of the postponement of the examination and of the new date fixed for said examination.

CHAPTER 3. REGISTERS OF ELIGIBLES

Section 3.1 Establishment of Registers of Eligibles.

The Board shall establish and maintain a Register of Eligibles as the Board determines is necessary for each rank over which the Board has jurisdiction. A Register of Eligibles shall rank all applicants who have passed all pre-offer elements of an examination for the stated rank in order of their relative excellence as determined by the examination and preferences, but without reference to priority of time of examination. In the event of a tie score, the priority in time of filing of the application shall determine ranking for entry level positions, and seniority in the Department shall determine ranking for promotional positions.

Section 3.2 Initial Eligibility Lists.

- A. Entry Level Positions. Within 30 days after all applicants for an entry level position have completed all applicable pre-offer elements of an examination, the Secretary shall prepare and post an Initial Eligibility List of the applicants who passed all of those elements, ranking those applicants in order of their relative excellence.
- B. Promotional Positions. Except as may be provided otherwise in the Fire Department Promotion Act or the applicable Bargaining Agreement, within 30 days after all applicants for a promotional appointment have completed all applicable pre-offer elements of an examination, the Secretary shall prepare and post an Initial Eligibility List of the applicants who passed all of those elements, ranking those applicants in order of their relative excellence.

Section 3.3 Preference Points.

- A. Military Preference Points. Military preference points may be awarded to persons who otherwise have qualified for placement on an Initial Eligibility List for an entry level position and who have served for at least one year in the United States Armed Forces during a time of hostilities with a foreign country. Persons eligible for such military preference points may submit to the Board proof of honorable discharge from active military service or other proof of entitlement to military credit within 10 days after the initial posting of an Initial Eligibility List. However, applicants may only receive preference points for military service for one appointment. In cases where such credit is given, it shall be given to individuals whose names appear on the Initial Eligibility List by adding three points to their final rating.

For promotional appointments within the Fire Department, 0.7 military preference points will be awarded for each six months of active military service, or fraction thereof, up to a maximum of 3.5 military preference points. To qualify for this preference, the candidate must have at least one year of active military service.

- B. Seniority Preference Points for Promotional Appointments within the Police Department. Credit for seniority shall be given for actual continuous service with the Police Department. Credit for seniority shall be given to individuals whose names appear on the Initial Eligibility List for a promotional appointment within the Police Department by adding points to the applicant's final rating in the following amounts:

1 - 5 years	1 point
6 - 10 years	2 points
More than 10 years	3 points

- C. Firefighter Certification Points for Entry Level Appointments within the Fire Department. Credit shall be awarded to applicants who possess State of Illinois Firefighter II Certification (or its equivalent in other states, or its replacement certification as established by the Office of the Illinois State Fire Marshal) by adding three points to the applicant's final rating.

Section 3.4 Final Ranking.

After all applicants have made claims for military points and have received seniority preference points and firefighter certification preference points as applicable under Section 3.3 of these Rules and Regulations, the Secretary shall re-rank the applicants on each Initial Eligibility List according to their scores. Each candidate's order of eligibility as thereupon determined shall be the basis for placement of such candidates on the Register of Eligibles.

Section 3.5 Additions to Registers of Eligibles.

- A. Entry Level Positions.

1. Each Register of Eligibles for an entry level position shall be valid for 12 months. However, the validity of an existing Register of Eligibles for an entry level position may be extended for up to two additional six-month periods by order of the Board. The Register of Eligibles shall contain the following statement:

"The persons listed herein have successfully completed the pre-offer elements of the examination for this position, but after being offered an appointment are also, as a condition of such appointment, subject to successful completion of other post-offer tests, including medical and psychological tests, required by the Board of Fire and Police Commissioners. Failure to pass any of these tests shall preclude appointment of the applicant, and may cause the removal of the applicant's name from this list. This list shall expire automatically and be of no further force or effect twelve months after the date hereof, unless such expiration date is extended by the Board of Fire and Police Commissioners."

2. Should the Board deem it advisable to prepare a new Register of Eligibles, it may properly do so at any time with no effect on the Register of Eligibles existing at that time. Should the newly developed Register of Eligibles be completed before the existing Register of Eligibles expires by virtue of the limitations period having run, the new Register of Eligibles will be held in abeyance until the time the existing Register of Eligibles expires. Applicants whose names appear on the existing Register of Eligibles may apply for re-examination in order to be placed on the new Register of Eligibles. No consideration whatsoever will be given to an applicant with respect to his or her prior placement on the expiring Register of Eligibles.

B. Promotional Positions.

Should the Board deem it advisable to prepare a new promotional Register of Eligibles, it may properly do so at any time with no effect on the promotional Register of Eligibles existing at that time. Should the newly developed promotional Register of Eligibles be completed before the existing promotional Register of Eligibles expires by virtue of the limitations period having run, the new promotional Register of Eligibles will be held in abeyance until the time the existing promotional Register of Eligibles expires. Applicants whose names appear on the existing promotional Register of Eligibles may apply for re-examination in order to be placed on the new promotional Register of Eligibles. No consideration whatsoever will be given to an applicant with respect to his or her prior placement on the expiring promotional Register of Eligibles.

The remaining bands shall include 24 applicants each, in order of their scores on the Written Test.
- C. Screening Interview. Each applicant for an entry level position within the first band established by the Board shall submit himself or herself for a screening interview before the Board, or before an interview panel designated by the Board. The Board also may determine to conduct screening interviews of applicants in the second and subsequent bands. The screening interview is intended to assist the Board in determining an applicant's suitability for the position sought by the applicant. If the Board designates an interview panel to conduct this screening interview, then the Board shall await the report of the panel before conducting the final oral interview.

Such investigation may include further checking of the fingerprints obtained during the Preliminary Character and Background Investigation. Results of this investigation shall be submitted to the Board to determine whether the applicant has passed this examination element. - B. Psychological/Psychiatric Test. Upon notification and conditional offer of appointment, an applicant who has passed the preceding examination elements shall submit himself or herself to a psychological examination administered by such psychologist or psychiatrist designated by the Board. The test shall be given solely to determine an applicant's suitability for the position to which he or she seeks appointment. - D. Supplemental Physical Test for Applicants. If an applicant for a position has not been appointed to a position because of his or her failure to pass the Medical Test or the Psychological/Psychiatric Test, but the applicant has been retained on the Register of Eligibles, and the Board makes the applicant a second conditional offer of appointment more than 60 days after the date of the applicant's first Medical Test, or after the number of days designated by the Psychologist's/Psychiatrist's report as being valid, then the Board shall cause a second test to be made of the applicant within 60 days prior to his or her appointment. If the applicant fails this second test, then his or her name shall be removed from the Register of Eligibles, unless otherwise required by law.
- E. Deferral. The post-offer examination elements may be deferred by the Board for all applicants until the Board receives notice from the City Manager that a vacancy exists in the entry level rank. When the Board receives notice of a vacancy from the City Manager, the Board shall administer the deferred examination elements to the same number of the highest ranking applicants who still qualify to remain on the Register of Eligibles and who have not been so previously examined as there are vacancies to be filled and such additional number of the next highest ranking applicants as the Board thereafter shall determine, either before or after receiving the results of the examination of the highest ranking applicants.

Section 5.5 Entry Level Appointments.

Also, no application will be accepted less than ten days prior to the date of an examination. The Secretary or his or her designee shall cause each application to be noted with the date and hour it was received, which time shall determine the timeliness and priority of filing.

Section 6.3 Disqualification.

- A. who has not completed his or her Probationary Period; or

Section 6.4 Release of Liability.

In consideration of being admitted to the examination process, all applicants shall execute and deliver to the Board or its designated representative a release of all liability as a result of participating in the examinations, and all waivers and releases of information necessary to allow the Board to complete all elements of the examinations, on forms approved by the Board.

Section 6.6 No Creation of Applicant Right or Interest.

Neither the filing of an application, nor the acceptance of an application, nor an applicant's satisfaction of the general or special qualifications for filing an application or being admitted to an examination, nor any provision of these Rules shall be construed as creating any vested, property, or other right or interest in any

Section 6.7 Correction of Applications.

A defective application shall be returned to the applicant for correction, if the applicant otherwise is qualified for the position he seeks. All returned applications must be resubmitted within the time period established by the Board or its designated representative.

CHAPTER 7. PROMOTIONAL EXAMINATIONS AND APPOINTMENTS

Section 7.1 Promotional Examinations; Grading.

- A. Police Department. Examinations for promotional positions within the Police Department shall consist of the following elements in the following order, which shall each comprise a percentage of the applicant's total score as identified below:

Examination Element	Percent of Total Score
Departmental Evaluation	30%
Written Test	30%
Assessment Center Process, including oral interview with Board	40%
Psychological/Psychiatric	Pass/Fail
Total (not including seniority preference points)	100%

The Departmental Evaluation, Written Test, and Assessment Center Process each are based on a 100-point scale. After each of those examination elements is scored individually, the applicant's score then shall be calculated based on the percentages attributed to each element as set forth above.¹ Each element score will be provided to the Board promptly after that score is calculated.

Based on the scores from the Departmental Evaluation and Written Test, candidates who have scored at or above the 80th percentile of candidates following the Departmental Evaluation and Written Test will undergo evaluation in the Assessment Center Process.

¹ The following examples demonstrate the manner in which an applicant's total examination score would be calculated.

a. If an applicant receives 70 points on the Written Test, 90 points on the Assessment Center Process, and 80 points on the Departmental Evaluation, then the applicant's, total examination score would be 81 points, calculated as follows: $(70 \times .3 + 90 \times .4 + 80 \times .3) = 81$ points.

b. If an applicant receives 90 points on the Written Test, 50 points on the Assessment Center Process, and 60 points on the Departmental Evaluation, then the applicant's total examination score would be 65 points, calculated as follows: $(90 \times .3 + 50 \times .4 + 60 \times .3) = 65$ points.

- B. Fire Department. Examinations for promotional appointments within the Fire Department shall consist of elements that will be scored in accordance with the provisions of the applicable Bargaining Agreement and the Fire Department Promotion Act.

Section 7.2 Pre-Offer Examination Elements for Promotions Within the Police Department.

- A. Departmental Evaluation. The Chief of the Police Department will assign points to each applicant based on his or her evaluation of all aspects of the applicant's past performance, including without limitation the applicant's overall work performance, previous performance evaluations, leadership abilities, interaction with others, familiarity with applicable laws, proficiency in the use of necessary equipment, administrative skills, managerial abilities, and prior service in the Department. Each candidate will be advised of his or her Departmental Evaluation score prior to the administration of the next testing element.
- B. Written Test. Each applicant for a promotional position shall submit himself or herself for a written test to be conducted at a place designated by the Board for that purpose. Each candidate will be advised of his or her Written Test score prior to the administration of the next testing element.
- C. Assessment Center Process. Based on the scores from the Departmental Evaluation and Written Test, candidates who have scored at or above the 80th percentile of candidates following the Departmental Evaluation and Written Test shall be required to undergo an Assessment Center Process to be announced prior to, or in conjunction with, the notice of examination as provided in Section 2.2 of these Rules.

Section 7.3 Post-Offer Examination Elements for Promotions Within the Police Department.

- A. Psychological/Psychiatric Test. Upon notification and conditional offer of appointment, each applicant for a promotional position shall submit himself to a psychological examination administered by such psychologist or psychiatrist designated by the Board. The examiner shall prepare and submit a report of the examination to the Board for its evaluation. Refusal of the applicant to take this test shall eliminate the applicant from further consideration.

- B. Deferral. The post-offer psychological/psychiatric test may be deferred by the Board for all applicants until a vacancy exists in the promotional level rank.

Section 7.4 Promotional Appointments.

- A. Positions Within the Police Department. Whenever making a promotional appointment within the Police Department, the City Manager shall request the names of the three persons having the highest ranking on the promotional Register of Eligibles created for that position, and thereupon the Board shall certify the names and addresses of such persons. The City Manager shall appoint one of these persons to the position. The City Manager shall not pass over the person having the highest rating on the promotional Register of Eligibles more than once and shall not pass over the person having the second highest rating on the promotional Register of Eligibles more than twice.
- B. Positions Within Fire Department. Whenever making a promotional appointment within the Fire Department, the City Manager shall appoint to that position the person having the highest ranking on the promotional Register of Eligibles for that rank, except that the City Manager may pass over that person and appoint the next highest ranked person on that list if the City Manager has reason to conclude that the highest ranking person has demonstrated substantial shortcomings in work performance or has engaged in misconduct affecting the person's ability to perform the duties of the promoted rank since the posting of the promotion list. If the highest ranking person is passed over, the City Manager shall document his or her reasons for that decision. Unless the reasons for passing over the highest ranking person are not remedial, no person who is the highest ranking person on the list at the time of the vacancy shall be passed over more than once.
- C. Oath of Office and Bond. Before entering into duty, each person about to be promoted within the Fire Department or Police Department shall take and sign the following oath, which may be administered by the City Clerk or any member of the Board in the following form:

"I, _____, do solemnly swear (or affirm) that I will support the Constitution of the United States and the Constitution of the State of Illinois and the ordinances of the City of Highland Park, and that I will faithfully discharge the duties of the Position of

CHAPTER 8. TEMPORARY APPOINTMENTS AND VOLUNTARY DEMOTIONS

- A. Emergency Appointments. The Board, at the request of the City Council and without complying with the provisions of these Rules otherwise applicable to appointments, shall make temporary appointments to the Fire Department or Police Department to prevent a stoppage of public business, to meet extraordinary situations, or to prevent the material impairment of the Fire Department's or Police Department's ability to carry out its functions. Such temporary appointments shall not be made to exceed 60 days and no person shall receive such a temporary appointment more than twice in any calendar year. Any person whose name is on a Register of Eligibles for a position may accept a temporary appointment to a position other than or including that for which he or she was examined and is eligible, without losing his or her place upon such Register of Eligibles.
- B. Vacancy Caused by Military Leave. Whenever a vacancy occurs in any position in the Fire Department or Police Department by virtue of an Employee taking a leave of absence because of enlistment or because he has been ordered into the military forces of the United States or the State of Illinois, the Board may fill such vacancy by a temporary appointment of a person on an entry level or promotional Register of Eligibles for the position, should such a list be in existence. The duration of any such appointment shall be for the period of said leave of absence, and not more than 60 days thereafter. The name of the temporary appointee shall be retained on the Register of Eligibles subject to the provisions of Sections 3.6, 4.4 and 6.3.
- C. Vacancy Caused by Personal Injury. Whenever a vacancy occurs in any position in the Fire Department or Police Department by virtue of an Employee's personal injury or illness or an extended leave of absence due to such injury or illness, the Board may fill such vacancy by a temporary appointment of a person on an entry level or promotional Register of Eligibles for the position, should such a list be in existence. The duration of any such appointment shall be for a period extending until the subject Employee is capable of returning to work following his or her injury or illness or leave of absence. Section 9.1 Collective Bargaining Agreements; Just Cause Required.

- A. Collective Bargaining Agreements. The provisions of applicable Bargaining Agreements between the City and members of the Fire Department or Police Department shall apply to suspension, removal, discharge, or demotion.

17. any act or occurrence, after appointment, that would have required or constituted cause for disqualification from appointment.

Section 9.2 Suspensions.

- A. Suspension of Five Days or Less. An Employee of the Police Department or the Fire Department who has completed his or her Probationary Period may be suspended for just cause by the head of the Department for a period of not more than five days. The Employee may grieve such discipline as provided in any applicable Bargaining Agreement. If, pursuant to such Bargaining Agreement, the grievance is to proceed through the Board, or if there is no applicable Bargaining Agreement, the Employee so suspended may, within ten days of the receipt of the grievance response from the City Manager or the receipt of the suspension notice, as applicable, submit a written request for a hearing before the Board concerning the propriety of such suspension; provided, however, that the Board shall not be required to grant any such hearing. If the Board chooses to provide the Employee a hearing on appeal, the hearing shall be conducted in accordance with the requirements of this Chapter 9, except that the Employee shall have the burden of establishing by a preponderance of the evidence that just cause for the suspension does not exist. Section 9.3 Charges for Removal, Discharge, Demotion or Suspension of Over 30 Days.

- A. Written Charges Required. No Employee who is appointed after examination and has completed his or her Probationary Period under these Rules may be removed, discharged, demoted or suspended for a period of more than 30 days unless written charges shall have been filed with the Board, and the Employee shall have been given an opportunity to be heard before the Board in his or her own defense.
- B. Complainant. Charges may be brought against a member by the Fire Chief, the Police Chief, or the City Manager.
- C. Charges. Charges shall be in writing, shall be signed by the Complainant, and shall state with specificity the facts alleged to constitute just cause for suspension, removal, discharge, or demotion. Such charges shall be filed with the Board and shall be served upon the Respondent.

waive said requirements upon good cause being shown and a finding that no prejudice will result to any party from any such waiver. The Board may grant or deny a continuance on the motion of either party or on its own motion, but no continuance that extends the commencement of the hearing beyond 30 days from the date the continuance motion is filed shall be granted. If a continuance is granted on the motion of a Respondent who has been suspended by the Board, with or without pay, pursuant to Section 9.4J of this Section and said continuance causes postponement of the conclusion of the hearing to a date more than 30 days after the date on which charges were filed, the Respondent shall waive all pay for the period beginning with the 31st day after such filing and continuing to the date of the conclusion of the hearing.

- F. Other Motions. In connection with any hearing conducted pursuant to these Rules, any party may file a motion with the Board by signing, filing and serving such motion not less than 48 hours prior to the time set for the hearing.

Subpoenas may be served by any person of the age of 21 years or more.
- H. Evidence Depositions. Evidence depositions may be taken and utilized in the manner and under the conditions prescribed therefor in courts of general jurisdiction in the State of Illinois.
- I. Stipulations. The parties may stipulate and agree in writing, or on the record, as to evidentiary facts or other matters. Any facts so stipulated shall be considered as evidence in the proceeding.
- J. Suspension Before Hearing. The Board may suspend the Respondent pending a hearing, with or without pay for not more than 30 days. In the event that the Board, after hearing, determines that the charges are not sustained, the Respondent shall receive any pay and benefits withheld during the suspension period.

Section 9.5 Hearing.

- A. Commencement and Adjournment. A hearing shall be commenced within 30 days after the filing of the charges, unless continued by the Board, and may be adjourned from time to time thereafter for lack of a quorum or in order to complete the hearing at a later date.

In the alternative, the Board may designate any hearing officer or board to conduct a hearing. After disposition of any preliminary motions for continuance, motions directed to the charges, or other motions, the Complainant shall present and examine witnesses and offer other evidence substantiating the charges that have been made against the Respondent. Thereafter the Respondent may present and examine witnesses and offer other evidence refuting the charges. Complainant may then present evidence in rebuttal. All parties shall have the right to cross examine witnesses presented by the opposite party.
- G. Rules of Evidence.
1. Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. The rules of evidence, as applied in civil cases in Illinois, shall be followed; provided, however, that when necessary to ascertain facts not reasonably susceptible of proof under those rules, evidence not

admissible thereunder may be admitted (except where precluded by statute) if it is of a type commonly relied upon by reasonably prudent persons in the conduct of their affairs. The Board shall give effect to the rules of privilege recognized by law. Objections to evidentiary offers may be made by either party and must be ruled on by the Board. Such objections and rulings shall be noted in the record. Subject to these requirements, when a hearing is expedited and the interests of parties will not be prejudiced substantially, any part of the evidence may be received in written form.

2. Documentary evidence may be received in the form of copies or excerpts if originals are not readily available.
 3. The Board may take notice of judicially cognizable facts.
- H. Burden of Proof. Except as provided in Subsection 9.2A of these Rules, the Complainant shall have the burden of proving the charges brought by a preponderance of the evidence.

The Board or any party in addition may provide for a transcript to be taken by a reporter, in which event audio recording shall not be required. Such transcript may be written upon the request of the Board or any party, at the expense of the person making the request.

Section 9.6 Findings and Decision.

- A. Vote; Deliberations. To sustain the charges brought pursuant to Section 9.3 of these Rules, at least two Commissioners must vote to sustain. To reverse a suspension appealed to the Board pursuant to Section 9.2 of these Rules, at least two Commissioners must vote to reverse. The Board may deliberate in public or in closed session, provided that final action shall be taken only in public session.

- B. Findings. If none of the charges against the Respondent have been supported by a preponderance of the evidence, or if a suspension is reversed, then the Board shall make a finding that the charges or suspension are not sustained and shall enter an order terminating immediately any suspension and requiring the Fire Department or Police Department to reimburse Respondent for all wages and benefits not paid to the Respondent during such suspension period.

If the Board finds that any of the charges have been sustained by a preponderance of the evidence or if the Board denies the appeal of a suspension, then the Board shall adopt findings of fact in support of such determination. The Board may sustain the action of the Department; may order the immediate discharge and removal of the Respondent from office; may order the suspension of the Respondent from office, with or without pay not to exceed 30 days without pay, may demote the Respondent previously promoted from a lower rank with immediate reduction in compensation to a rate not exceeding the maximum rate of such lower rank; or any combination of the above.
